Dear Parents, Faculty, Staff and Members of the Board,

The Head of School Search Committee has concluded the initial phase of the search for our next Head of School.

We are pleased with the robust response of qualified applicants and working through our designed search process over the past few months we have narrowed the field to two finalist candidates. However, given the challenges presented by our current pandemic, primarily our inability to bring the finalists to campus to engage with our community, the Search Committee, in collaboration with the Board of Directors, has decided to postpone the finalist phase of the search process until the fall and to appoint an Interim Head of School for the 2020-2021 school year. This will allow our community to participate in the process by meeting the finalist candidates and allow us to complete the search process as originally designed. Our permanent Head of School will assume leadership in July 2021.

At this time we are beginning interviews for an Interim Head of School to assume leadership from July 1, 2020 until June 30, 2021. Once selected, we will introduce the Interim Head to our community and she/he will begin engagement with Joanna and the Administrative Team to ensure a smooth transition and preparation for the re-opening of school when we are given consent to do so.

Should you have any questions, please feel free to reach out to the Search Committee Co-Chairs [Kara Adams](#) or [Ken Feyl](#).

Sincerely,

Kara Adams
