

October 2020

Dear ASM Community,

The Head of School Search Committee has spent much of the summer working closely with our search consultant, Mary Seppala, to identify appropriate candidates for ASM's next Head of School. Our search attracted robust interest from all over the world and included several highly qualified candidates.

The Committee reviewed ten dossiers, interviewed eight candidates and conducted a few follow up interviews. In general, the committee has been unanimous regarding the candidates and their fit at ASM.

Pending proper reference and background checks, we hope to announce the finalists to the ASM community in the coming weeks. At that time, the committee will coordinate opportunities for the community to meet with the finalists before a recommendation is provided to the Board of Directors.

We are making tremendous progress in putting in place a new Head of School for the 2021-2022 school year.

Sincerely,

Kara Adams
